Подробное описание и стоимость услуг

As a conference interpreter with 12 years of experience in Turkish ⇆ Russian interpreting, I provide high-quality simultaneous and consecutive interpreting services for business, legal, medical, and technical fields. For the past 7 years, I have specialized in interpreting for the nuclear energy sector, including the Akkuyu Nuclear Power Plant project in Turkey.

Whether you need reliable support for a business meeting, an international conference, or official appointments, I will ensure clear and precise communication.

Образование

- Master's Degree in Linguistics, Astrakhan State University.
- Bachelor's Degree with honors in Translation and Interpreting Studies, Astrakhan State University.
- Additional training: Turkish written legal translation course; diction and voice training course.

Опыт работы

Professional conference interpreter with 12 years of experience in Turkish ⇆ Russian simultaneous and consecutive interpreting.
